Aretha Franklin

(1) Born 1942 ; still lives in Detroit

(2) Father a celebrated preacher @ New Bethel Baptist Church, where her musical career started = gospel roots; sang + played piano; — encouraged by family friends: Mahalia Jackson, Clara Ward, Sam Cooke

(3) at 14, began recording
at 19, a solo contract w/ Columbia Records
then Atlantic Records

(4) did not finish high school

(5) 20 #1 hits, 17 grammies
— R-E-S-P-E-C-T, an empt hit
1st woman inducted into Rock & Roll Hall of Fame

(6) Sang @ MLK's funeral
+ Clinton's inaugurates

(7) Thulani Davis, the author: For black women, aretha is the voice to make all the unsaid sayable, powerful + lyrical.

(8) Sorrows: three divorces
father shot by burglers + died
1960's South: racism

(9) brought spiritual passion to popular music

(10) what's empt? family, church, social contributions, and music

(11) still lives in Detroit . .
one of most empt musicians of our age

John Lewis (1)

I

① Bn 1940 near Troy, Alabama, son of sharecroppers
② grew up on family farm
- influence of parents
③ attended segregated public schools
④ @ 10, denied library card @ Troy library ("for white only")
⑤ @ 15, in 10th grade, turning pt. - Rosa Parks, MLK, Montgomery bus boycott
⑥ BA, Fisk, religion + philosophy
- Thoreau + civil disobedience
- Gandhi + non-violence
- MLK
⑦ Grad., Baptist Theological Seminary (Nashville)
⑧ @ Fisk, org Sit-Ins @ segregated lunch counters
- became a civil rts. activist.

II

① 1961: Freedom Rides vs. segregation in interstate bus travel.
② 1963: @ 23, one of organizers of March on Washington, + a keynote speaker.
③ Chairman of SNCC
④ 1964: Voter Registration Drives
- Mississippi Freedom Summer
⑤ 1965: Selma + Bloody Sunday
⑥ Despite some 40 arrests, abuse, beatings, serious injuries, remained committed to non-violence.
- resolve ever waver, or weaken?
- spirit ever bent or broken?
⑦ where did you find the strength, the courage to literally risk your life?

John Lewis (2)

1. 1981, elected to Atlanta City Council
2. 1986: elected to Congress
— now a prominent insider, not an outsider,
— how does it affect you? ur thinking?
ur approach to problem-solving?

4. what is your overview of how far we're come — And not come — as a nation in your lifetime.

3. u've been a subject of profiles in Time Mag. + The New Yorker, received awards + honorary degrees
— did u hv imagined in the 1950's and 60's, how far you would come?
— it's a long way from the segregated world of your youth.

5. u have spoken of the need for reconciliation in America
— of "the beloved community"

(1) Richard Daley

I
1) bn 1942 in a Chicago neighborhood near The Loop.
2) oldest son of former Mayor Richard J. Daley
3) grad, De La Salle Academy
4) Law School, De Paul

II
1) 1970's: Illinois State Senate
2) 1980-89: State's Attorney for Cook County
3) 1989: elected Mayor
4) re-elected in 2003 w/ 79% of the vote.
5) If remains in office to 12/25/2010 will break Father's record for time as Mayor.

III
1) first Cook County official to sign a decree eliminating politically motivated hiring + firing.
2) will ur son follow in ur footsteps?
3) what's most impt. thing a Mayor does?
4) Time Mag ranks ur as one of five best mayors of large U.S. cities
— of all your honors + recognition, what's most impt. to you
— how do you measure achievement
5) controversy + criticism (+ a controversial legacy: the machine)
6) supports gun control — defacto ban on handguns in Chicago.

how do you deal w/ expectations

a bookworm despite dyslexia

John Irving, 6/3/05, NYC

I

① bn 1942, Exeter, New Hampshire
② at Philip Exeter Academy: discovered writing + wrestling
③ U. of Pittsburgh
Vienna
– traveled Europe on a motorcycle, bohemian lifestyle
= met a man w/a trained bear
④ grad. U of N.H. 1965
⑤ U. of Iowa, MFA, studied w/Kurt Vonnegut
– began work on 1st novel – Setting Free The Bears

II

① early books well received but didn't sell
② writer in residence + lecturer @ U. of Iowa
③ 1975 returned to New England + wrote/published 1978
The World According to Garp = and changed his life
– critical + commercial success, the breakthrough.
④ Awards incl. Natl. Book Award +
[redacted]: Natl. Wrestling Hall of Fame +
American Academy of Arts + Letters
⑤ author + wrestling coach
⑥ screenwriting: Oscar for The Cider House Rules
⑦ how do you account for your literary vision?
⑧

(Yogi Berra, 6/1/05)

I

① b. St. Louis, Mo, 1925, 2nd youngest of 5 kids (+ youngest son)

② father an immigrant, a backyard baseball coach.

③ @ 7, to Hill district, Italian neighborhood of St. Louis
- YMCA team, The Stags; played all sports but most liked baseball.
"I wanted to be a baseball player" but family needed money/income

④ @ 14: after completing 8th grade, went to work
- job in a coal yard.
- Then, a truck driver
- tack-puller in a shoe factory

⑤ played American Legion ball + nick-named "Yogi" after a movie character
- played all nine positions

⑥ told by Branch Rickey in 1942: no future in big league baseball — but his Legion manager got him a minor-league contract w/ Yankees.

⑦ 1943, first minor league assignment in Norfolk, Piedmont League: as a catcher, made 16 errors.

⑧ WWII: joined the Navy, gunner's mate aboard a boat during the D-Day invasion in Normandy; provided anti-aircraft ~~fire~~ cover, 15 consecutive days of action/combat.

⑨ played for New London, Conn. Navy Team + Giants offered Yankees $50,000 for his contract; Yankees refused + in 1946 — sent Berra to Newark Bears of Int'l. League.

(2) Berra, 6/1/05

II

① 1947: became a Yankee full-time
- "overanxious" to impress
- swinging @ bad pitches
- throwing erratic
- benched after World Series

② Bill Dickey became a mentor/teacher

③ By 1951: American League MVP, first catcher since 1934 to win it.

[④ married 1949, likes movies, comic books, mysteries]

⑤ Hall of Fame
⑥ three MVP awards
⑦ 10 World Series wins (a record)
> AL all-Star Team from 1948–62.
- @ 5'8" an improbable star

⑧ great clutch hitter "Tough man in the league in the last 3 innings"

⑨ a way w/words: Yogi-isms (a favorite?)

⑩ became a pennant-winning manager
- what did he learn abt. leadership?

III

① along (way) from the Hill district to the baseball Hall of Fame
Stateman: did it a journey u ever thought you'd make?

② ever think, as u were recently interviewed by NYT, you'd be labeled a philosopher, become a folk hero?

BB KING (1)

(I) 1. bn 1925 Mississippi delta, family of sharecroppers, — picked cotton to help family income.
2. parents separated when 4, mother died when 9 — left pretty much on his own.
3. exposed to gospel music in church, guitar instruction from preacher.
4. @ 13, played guitar on street corners for dimes, sometimes as many as four towns a night.
— played guitar w/ group: The famous St. John's Gospel singers.
— worked as a tractor driver.
5. never graduated from high school (did not go as far in school as I wanted to go!)
6. how were you affected by your early years, ur youth?

(II) 1. at 22, 1947, hitch-hiked to Memphis, almost penniless.
2. moved in w/ cousin Bukka White, a blues man who became his teacher.
3. First break, Memphis radio stations; did commercials; DJ. — plugged Peptikon kerosene tonic
— eventually became known as BB = Blues Boy King
4. 1949, at a club in Twist, Arkansas, a fire: "Lucille"
5. first hit, 1951-2: "Three O'clock Blues"
— but little known outside of blues circles, [redacted]
— 1956: 352 one-night stands.
6. turning pt: 1966:
— "The Thrill is Gone", inspired by second divorce, changed ur career, ur signature song.
7. have there been pivotal moments in ur career?
— worst night as a performer? (Royal Theater, Baltimore, 1963)
— best night as a performer? (Fillmore West, SF, 1968)
8. ever lose faith in yourself? in your music?
9. have you ever had stage fright?
— how do you deal with it?

BB King (2)

(III) are there dues to be paid to achieve something?
1. do you have to pay ur dues?
2. does it matter to you where you're playing?
3. as a kid growing up, in your time and place, cud u have imagined being where you are today, the life you've lived?
— it's a long way from the Mississippi delta of your boyhood to the King of blues.
4. how wud u describe ur music?
— can you define or explain the Blues?
5. at your age, doing what u've done, why don't you slow down?
— what keeps you going?
— where do you find the energy?
6. how do you want to be remembered?
7. describe urself as a perpetual student
— what do you read?
— what interests you?
8. have you ever wanted to do anything other than be a "blues man", a musician?
9. who are your heroes?

Archbishop Desmond Tutu

I
1. bn 1931, Klerksdorp, Transvaal, So Africa
2. father a schoolmaster
3. @ 12, family moved to Johannesburg
4. attended Johannesburg Bantu high school
5. wanted to become a physician but parents couldn't afford medical school
6. trained as a teacher @ Pretoria Bantu Normal College
7. grd. U. of So. Africa, 1954

II
1. already a teen-ager when Nationalist Party came to power w/ its policy of Apartheid (1998) — was 17
2. refused to cooperate/be part of an inferior education system
3. studied for Anglican priesthood
— why the priesthood?
— did he joined the armed wing of the ANC!
4. lived in England, 1962-66; MA in Theology
5. taught theology in So. Africa
6. 1970's: returned to England, World Council of Churches
7. — broke ground, 1st black African to serve as Dean of St. Mary's Cathedral, Jo'burg, 1975
8. 1976-78: Bishop of Lesotho
9. 1978: 1st black Gen'l. Sec. of So African Council of Churches: a natl. platform for non-violent change/resistance to Apartheid.
10. 1984: Nobel Peace Prize — ur reaction
11. 1986: Elected Archbishop of Cape Town = 1st black head of Anglican church in So. Africa

III
1. 1994: Truth & Reconciliation Commission
2. Teaches Theology @ Emory U., Atlanta

Coretta Scott King (1)

I
1. b. 1929, near Marion, Alabama
2. family farm – as kid picked cotton during depression.
3. parents' influence – incl. love of music
4. walked 5 miles to one-room schoolhouse
5. Lincoln HS: mother hired bus to take black students to/from school, 9 miles away.
   - class valedictorian
   - learned to play trumpet + piano; sang @ recitals
   - grd. top of class, 1945
6. Antioch College (Ohio)
   - sister 1st full-time black student to live on campus
   - majored in music education
   - work-study program
   - but barred from practice teaching @ local public schools because of race.
   - grad. 1951 intending to become a professional singer
7. New England Conservatory of Music, Boston
   - worked for bed + breakfast, cleaning stairwells, eating a lot of peanut butter + crackers

II
1. met Martin Luther King, a theology student (PhD) in Boston
   - married, 1953
   - moved to Montgomery, 1954, MLK began work as minister
   - 1st child born 2 wks bef. start of bus boycott, 1955.
2. turned out was not exactly the trad. life of the minister's wife –
   - were u expecting / anticipating a quiet life of music + being the preacher's wife?
   - in any way prepared for what followed?
3. you + Dr. King still in your 20's when he was asked to lead the Montgomery bus boycott – what stands out in ur memory of those times?
   - was it a difficult decision for you to become a full participant in the civil rts. mvt – + live with its dangers to you + ur family?

Coretta Scott King (2)

II CONT.
5. What was most difficult for you?
   - most frightening about those days?
   - most inspiring?
6. Following your husband's assassination you could have retired from public life – but you didn't. Why?
   - in those dark days, what were your thoughts?
   - how did you cope?
7. has your belief in non-violence ever wavered?

III
1. As a kid growing up in segregated rural Alabama, could u ever imagined the events of our lifetime – + our role in them?
2. Over all these years, what has meant the most to you?
3. How do you wish to be remembered?

ROPER STARCH WORLDWIDE
Turning data into intelligence

Coretta Scott King

I
1. b. 1929 in + raised near Marion, Alabama
2. family farm – kids picked cotton during depression
3. parents' influence: resourcefulness, self-reliance, strong character; love of music
4. walked 5 miles to one-room schoolhouse
5. Lincoln HS nine miles away, mother hired a bus to take black students in area to + from school
   - Class Valedictorian
   - learned to play trumpet + piano, + sang @ school recitals
   - grad 1945, @ top of class
6. Antioch College (Ohio)
   - sister had been first full time black student to live on campus
   - majored in music + education
   - in work-study program
   - but barred from practice teaching in local public schools because of race
   - by time grad. in 1951, dec. to become a professional singer
7. New England Conservatory of Music, Boston
   - worked for bed + breakfast, cleaning stairwells, eating a lot of peanut butter + crackers.

II
1. met MLK, a student in Boston @ time (PhD in Theology)
   - married in 1953
   - moved to Montgomery in 1954 where MLK began work as minister.
   - 1st child born two weeks before start of bus boycott in 1955.
2. was not exactly the quiet life of the minister's wife (a quiet life of music and being the preacher's wife) – were u expecting – in any way prepared for what followed?
   – you + Dr. King were still in ur 20's when he was asked to lead the Montgomery bus boycott; what stands out in ur memory of those times?
3. was it a difficult decision to become a full participant in the civil rts. mvt, + live with its dangers for you + your family?
4. following Dr. King's assassination, you could have retired, lived a quieter life – but you didn't. why?
   – in those dark days, what were ur thoughts, how did u cope?
5. has ur conviction in the importance of non-violence ever wavered?
6. back as a kid growing up in segregated rural Alabama, could u ever have imagined the events the world take place in ur lifetime – + ur role in them?

III
1. over all of these years, what has meant the most to you?
2. how do you wish to be remembered

~~Eileen~~ Collins, NASA Astronaut

① (1st female pilot of Space Shuttle)
(1st female commander of a space shuttle mission)

a special burden by 1st woman

I ① Born Elmira, N.Y. (1956)
② Grad. Elmira Free Academy (1974)
Corning Community College (1976): math/science
BA Syracuse (1978): math/economics/ROTC
MA, Stanford (1986): operations research
MA, Webster College (1989): space systems management

③ while in community college, waiting tables, first flight in a commercial airliner — changed her life, found her life's calling.

④ Two brothers + a sister + two very supportive parents

⑤ Parents describe her: very ordinary person, down to earth, thoughtful.
— "nobody handed her anything, had to earn it."

⑥ high school: voracious reader about famous pilots, from Amelia Earhart to WASP/WW II.
— "their stories inspired me. Admired their courage."

⑦ by 1977 had saved enough money to take flying lessons + earn a pilot's license; grad. Syracuse.

II ① one of first women to go straight from college into USAF pilot training
— "this was biggest break of my life, getting into pilot training"

② pilot instructor → 1982

③ 1983-85: C-141 Aircraft commander + instructor

④ 1986-89: Air force Academy professor + pilot instructor

Collins

II cont

⑤ Air force Test Pilot program → 1990

⑥ 1991: became an astronaut
- Veteran of 3 space flights, 537 hours in space
- as pilot, 1995 - 1997
- as commander, 1999

⑦ in all: has logged over 5,000 hours in 30 different types of aircraft.

III ① wife + mother of young daughter

② "when I was a child I dreamed about space — I admired pilots, astronauts."
- "I've admired explorers of all kinds" "my dream was to become one of them."
- Hopes her shuttle missions will inspire young people to reach for their dreams — because dreams do come true"

③ what's it like: at lift-off
in space

④ importance of preparation, training

⑤ "space is a place"
- how would u describe space

① Jeffrey Bezos, Amazon.com (e-business/commerce)
Web's biggest retail store

I
① Born Albuquerque N.M. (1964)
② father a Cuban refugee @ age 15 - came to U.S. alone w/2 shirts + a pair of pants
③ Smart child: built models
wired Radio Shack electronics kit
buzzer alarm to warn of siblings entering his bedroom
built a solar microwave
④ loved Star Trek
⑤ H.S. in Miami
- class valedictorian (+ something of a prude: no drink, drugs or cussing (cursing))
⑥ Summers on grandfather's ranch in Texas
- the Lazy B: Mr. FIXIT
⑦ Heroes: Thomas Edison + Walt Disney
⑧ BA Princeton, electrical engineering + computer science
- but had intended to be a physics major.

II
① 1994 quit a lucrative job in NYC + w/his wife drove to Seattle to start a new business
- the future of retailing; selling on-line = e-commerce
② investors said it wouldn't work
③ in 1999: Time person of the year, 4th youngest after
Charles Lindbergh
Queen Elizabeth II
Martin Luther King
④ Six Core Values, incl. old idea, - customer is always right } do you have a business philosophy?
⑤ regret minimization
⑥ "like the wild west a new frontier - led to try it."

② Bezos
What did you have to do?

II cont.
⑦ gave himself a 30% chance to succeed.
⑧ how, literally did you get Amazon.com started?
- hired a brilliant programmer
- built own desks from materials bought @ Home Depot
- word of mouth (word of web)
⑨ "no plan survives its first encounter w/reality"

III
① a mixture of intellect, imagination + practicality - is it what it takes?
→ ② need a sense of adventure, a willingness to take risks?

Sergey Brin (1) Larry Page, Google 6/05

I (1) (1) b/n 1973, East Lansing, Michigan
— father computer science prof @ Mich. St., a pioneer in computer science + artificial intelligence.
— mother taught computer programming.
(2) fell in love w/computers @ age 6
— turned in the first word-processing assignment in elementary school.
— grad. East Lansing High School, where he built a 4-foot wide Inkjet printer out of Lego bldg blocks.
— 1995, grad. U. of Michigan w/degree in engineering
— Stanford, grad. School, research focused on the Web.
+ (2) + met Sergy Brin
— "originally we didn't even intend to build a search engine"
(at first, did not even hit it off)
— together began work on "The Anatomy of a Search Engine"
developed PageRank technology, basis for Google's search technology, ranking the quality of each web page.
— + never finished his Phd. (a Stanford dropout)

II (1) tried to sell PageRank technology, to Yahoo + Altavista among others — no takers.
(2) used credit cards — their own, families + friends — bought $15,000 worth of disks to store a million megabytes of information, made a business plan, acquired start-up money + in 1998 est. Google Inc.
— commercially launched from a friend's garage.

(2) Larry Page, Google 6/05

II (3) attracted some of industry's largest venture capitalists — what did they see in you?
(4) staff has grown from 2 — to more than 200.
(5) unique work environment: from kitchen to rollerhockey, massage therapy + one day a week to pursue own interests.
(6) "to google" became part of the language
(7) the company mantra: "Don't Be Evil"

III (1) coud you/did you ever imagine that a career in computer science would bring w/it such wealth + celebrity?
— in our wildest dreams where that Phd-thesis might lead?
(2) how do you account for the remarkable turn our life has taken?
— @ age 32, what do you do next?
(3) is there anything else that interests you, that you'd like to do?
(4) if you have any spare time, how do you use it?
(5) Is Google what you set out to do?

① Pierre Omidyar: E-bay, chairman + founder
(Coh-MID-ee-ar)

I Youth
① Born in Paris
② Came to America, Maryland, when father began residency @ Johns Hopkins U. Med. Center
③ High school: cut gym class to play w/computers
— hired to write program to print catalogue cards for school library → $6/hr.
④ College: Tufts, BA, computer science, 1988.

II Career ① software dev. for Apple; engineer @ Gen. Magic
② 1st young entrepreneur, co-founder InK Dev. Corp, renamed eShop Inc — bought by Microsoft, 1996.
③ eBay, online person-person auction, created on his personal website (as a way to help his then girl friend — now wife? — collect Fez candy dispensers.
— eBay launched 1995; in 1998, personal wealth = $3-billion.
— phenmenal growth, can shop in 1,000 categories of items.

III Reflection
① You've been quoted in NYT: "I didn't set out to create a huge business on eBay — when it happened, I took advantage of it"
② An age of accidental fortunes — + it has surprised some (Matt Kursh of Microsoft) that you have made one of those fortunes (what does it take?)
③ what is ur resp. for such an enterprise — for ex, for what is sold on eBay (AK-47, porn, drug controversies)

Pierre Omidyar (oh-MID-ee-ar), eBay

– do you have any resp. for what is sold on eBay?

④ eBay foundation: grants to non-profit orgs

Dorothy Hamill

I
1. childhood in Riverside, Conn.
2. started skating late in life — @ 8
3. skating an escape — intensely shy
4. stuffed socks into her brother's ice skates to make them fit
5. up @ 4a to tell mind — what kind of life is this, esp. for a teen-ager? (left school @ 14)

II
6. the pressure of competition
7. the feeling of sitting there, waiting for the numbers to come up
8. read almost as much about personality as on skating

III
9. how tough is it to give it up — the competing, the training, the limelight?
10. & then life after fame — after being an Olympics + world champion?
11. the handling of fame at such a young age?

Gerard 't Hooft, Professor of Theoretical Physics
1999 Nobel Prize in Physics

I Youth/Education
1. BN 1946, Den Helder, The Netherlands
2. High School: Dalton Lyceum, The Hague (1964)
3. Married, 2 daughters
   - wife a physician
   - one daughter employed @ U.S. Embassy, The Hague

II Career
1. "I have deviating views on the physical interpretation of quantum theory & its implications for Big Bang theories of the Universe."
2. "To me, nature is a big jigsaw puzzle, & I see it as my task to try to fit pieces of it together."
3. Nobel Prize for: "elucidating the quantum structure of electroweak interactions in physics."
   - would you translate that for me? what is it that you do?
4. Has lectured or taught @ Harvard, Stanford, Cal Tech, B.U., Duke.
5. Long honors list—

III what was your reaction to being awarded a Nobel Prize?

John Hennessy, Pres., Stanford
Pioneer in Computer Science

I ① grew up in Huntington, Long Island – is 47
② Catholic high school – influenced him (how?)
③ BA, Villanova, electrical engineering
④ Phd, SUNY, Stony Brook, computer science

II ① ② Stanford, 1981, RISC, technology that revolutionized computer industry – a simpler computer architecture
② 1984-85, co-founded MIPS (Technologies), specializing in production of microprocessors = from academia → business (sold to Silicon Graphics)
→ what did he learn from the experience?
– importance of leadership
– appr for world of business
③ bldg of high performance computers for variety of uses – bioengineering + biomedical engineering
– role of technology in education/learning/research.

III ① Purpose of undergraduate education (Provost in 1999, now president of Stanford)
② role of the university
③ described as "gregarious"
– successful academic
– successful entrepreneur
– now leading administrator
} what matters most to you? why?
④ program @ Stanford, faculty-students: "what matters to me" "why"
(students ask faculty)

Shirin Ebadi
6/4/05 / NYC

b. 1947

(1) raised in Tehran, a family of academics and practicing Muslims.
(2) Tehran University + law degree - + doctorate in private law
(3) 1975: became first woman judge in Iran
(4) then: Islamic revolution of 1979.
- dismissed as judge ("women too emotional to be judges"), and made a clerk
(5) regained her lawyer's license in 1992.
(6) 2003: Nobel Peace Prize - first Iranian and only 11th women so honored. (+ 1st Muslim woman)
(7) represents an interpretation of Islam compatible/in harmony with democracy, equality, freedom of expression + religious freedom
(8) most of cases in opposition to a theocratic state, to the hard-liners -
- defending human rights
- seeking justice for victims of violence.
- ~~freedom of expression~~
(9) has been harrassed, threatened, jailed
"Any person who pursues human rights in Iran must live with fear, from birth to death, but I have learned to overcome my fear"
(10) The need for dialogue w/the West and w/America
(11) The need to correct western stereotypes of Islam
(12) A teacher, a writer, an advocate

Kenneth Fox: Internet Capital Group

29 yrs old / Business to Business E-Commerce

(I) ① grew up in suburbs of Philadelphia
② while still in high school, created + built first profitable business — a snow removal company, & Conquest, a company to sell promotional items
③ Grad. of Penn St., 1993, a child of the internet revolution.
④ In his 20's named one of Internet economy's most influential executives.
⑤ Bio says "an early interest in "sports, business, and people."

(II) ⑥ Aggression. Land Grab. Acquisition.
→ what motivates you?
⑦ How do you explain this drive?
→ this business acumen
→ is it instinct or something you've learned?

(III) ⑧ How would you describe yourself?
⑨ How much is enough?
⑩ After building a company to dominate its market, after making all this money at so young an age — what next?
what do you do after this?

Jeffrey Arnold
30 yrs old

Healtheon/WebMD
1st Internet Healthcare Company
= new system for delivering healthcare

Atlanta, Ga.
attended U. of Ga
Married 4½ kids

I

① You didn't graduate from college – how did it happen?
– inside, or there?
– help u, or hurt you?

② U found nothing in ur schooling/educ. or background to suggest u'd be running a 3.5 billion technology co. before u turned 30 – what did U miss?

II

③ How does a young man w/out a college degree get Microsoft, for ex, to invest $250 million in a start-up co.?

[illegible] older, more eff. people into following you? overcome all resistance of doctors?

④ Seems an internet fairy tale – how do u explain ur success?

⑤ What does it take to be a successful dealmaker, to make people bel. in u?

III

⑥ How do u explain ur ambition? what drives you?

⑦ How do u deal w/ success + wealth @ such a young age?

⑧ What keeps u up @ night? What do u worry about?
